# WARM WELCOME

**2** 018/2019 has been another fantastic year for the 1066 Specials with an amazing number of trophies, laughs and thrills to show for it!

I once again have not been present for the majority of this season (other than to claim the glory at tournaments such as Chelsea) but the noises coming from both players, supporters and volunteers have been that this year has been arguably one of the best yet.

As we move into 2020 the highlights from the past season have to be our team's league and knockout cup successes, particularly at Stamford Bridge where veteran Ciaran Lee finished his decisive penalty to win the team the final.

So it only remains to welcome you to this years newsletter where we take the opportunity to celebrate everything 1066.

Hope you Enjoy!

**Chris**

# WORDS FROM THE PRESIDENT

**A**nother season already! Time flies when you are enjoying yourself, and I am certain that this is true of us at the 1066 Specials. The team was named in 2003 and has become an inspirational choice.

We were the first independent disability football team formed in the Rother and Hastings area. The 1066 Specials are at the forefront of providing inclusivity in football, throughout the County of Sussex. Over the years, the players, coaches, committee and supporters, have all been the 'Special People' that have contributed to the success of the club. They have pathed the way for the 1066 experience to be enjoyed in the future.

I recently attended a Premier League match. The charity that was being supported was effectively for their own disability football teams. Good luck to them, and I was delighted that Disability Football was being brought to the consciousness of the supporters. It reminded me that the 1066 Specials have been instrumental in showcasing disability football for nearly twenty years without the financial support of premier league football. We are, however, privileged to watch spectacular goals followed by superb celebrations whenever we watch our team, and how do you put a price on that? I have always had difficulty with the labelling of our team as 'disabled'. Surely, all of us, without exception, suffer from 'inability'. From my own experience, I firmly believe that the, so-called, able-bodied are light years from being perfect specimens of the human-race. We never stop learning in life, and our actions never stop influencing others. Do your best to like and respect others as well as yourselves.

Over recent years I have been forced to deal with the deterioration in my own health. It might be the result of old age or, more worrying, the legacy of a mis-spent youth! I don't want to cause alarm to all you youngsters about your lifestyles! (I include the Mums, Dads and Coaches in that last remark!) My doctors tell me that I am making good progress, and twenty years from now, I should be enjoying full fitness. So, after my 98th Birthday, if I get the 'all clear', I 'm going clubbing again. But, even if I live to be a hundred, there will never be a club anywhere in the world that will replace the Specials in my heart. Have a fun season. Hope you win more than you lose, but, remember – "It's only a game" (a very 'Special' one.)

Love, as always,

**Harold**

(Coach)

JASON BORG  
(Coach)

ANNE CURTIS

ANGELA DAWES

MARK MOON  
(Coach)

### NEW ADDITION TO THE COMMITTEE!

Hi, my name is Elaine and I am the new Treasurer for 1066 Specials FC, a role I took over in April 2019. I have worked all my life in finance, bookkeeping, accounts, so I have gained a lot of experience in this area.

My Son Oliver has autism and has played football for 1066 Specials since he was around 11 years old, he is now 28 and still attends most training sessions and tournaments.

Myself and my husband are members of the 1066 Chapter, this year we nominated 1066 Specials FC as the Chapter Charity, 1066 Chapter have visited 1066 Specials twice, they brought along around a dozen bikes and invited players, coaches and parents to have a photo taken with a bike.

# VIEW FROM THE CHAIRMAN

**I**t has been another great year for the Specialists and I currently feel there is good unity and harmony within the football club. With a strong committee and a keen and capable group of coaches everything seems to be in place for continued successful development. We currently have ten FA qualified level 1 coaches running the Saturday sessions.

At the hub of the club is Fiona who courageously gets all the boxes ticked on welfare, Sussex league and charter standard requirements. The 1066 Trustees also put in a lot of effort steering the club in the right direction. The players, however, do the best job of all turning up to training and tournaments in fantastic numbers and inspiring all of us with a fantastic brand of football.

So to everyone involved in the club a massive thank you and please continue your great efforts, it really is appreciated.

The aim, as ever, is for fun and enjoyment and I believe we are achieving this with our current players and coaches and the sportsmanship also shines through. Quality training sessions are being achieved, with Duncan in particular setting new challenges and varied exercises keeping all the players keen and enthusiastic for more.

The two highlights of last season for me was the tournament win at Stamford bridge, Chelsea, closely followed by our Division 1 team winning the cup competition at Lancing. Great successes on both counts and reported in detail in this newsletter.

Also very pleasing is the gradual development of the Junior section who continue to flourish with good numbers attending training and another good performance at the Bognor Regis tournament. Finally, I would encourage everyone to enjoy this wonderful football club and as ever I welcome anyone's views and observations to continuously develop this football club.

**The Gaffer - Paul**

# SECRETARY REPORT

I would like to thank all the club supporters for their donations to the Specials supporters club . We shall be relaunching and promoting “ The Specials supporters club” in 2020 with more information at the AGM in April.

We are currently looking at options to compete in other tournaments but will require more financial support to do this. A special mention to for club supporter and Trustee Rob Gee, who regularly comes to tournaments and training sessions.

A big thank you to all the coaches, who really do deliver first class sessions, and

to the parents, Support staff and volunteers who have offered their assistance throughout the year. A special thank you to the wonderful players for turning up to training and tournaments so regularly and making my role within the club an absolute pleasure.

Fiona

# COACHES

**T**he 1066 Specialists football club have always invested in people and no more so than the continued development of our coaching staff. We currently have ten level 1 FA licensed coaches regularly taking training sessions on Saturday mornings. In addition to this we have three current players who have achieved the level 1 qualification who assist the coaches and join in with the fun and enjoyment.

The emphasis has always been on FUN and ENJOYMENT but we have also developed some fantastic players and played some outstanding football over the years.

Senior/Adult Coaching co-ordinator. Paul Anderson

Junior coaching co-ordinator. Duncan Nolan

Level 1 coaches. Chris Osborne, Mark Moon, Brian Cook, Chris Cook, Jason Borg, Luke Kavanagh-Deeprise, Harvey Wickinson, Jamie Nolan.

# TRAINING

***“If you work hard in training, the fight is easy.” - Manny Pacquiao***

**“Back 4 in 5-a-side? Why not!”**

**“Is there road works on the 3G?”**

**“Is he pointing at a pass or Duncan’s cones... I will let you decide.”**

**“Coaches can’t score but they can tackle!”**

# CLUB LIAISON REPORT

**S**o another year is nearly passed with all teams doing really well in there prospective league's...  
Most importantly everyone is learning & improving ten fold.

Player's are keeping us coaches on our toes as they are hungry to learn.

There is nothing better then seeing a drill or tactic you've taught being used with out command on the pitch by these brilliant player's.

When I haven't been injured (Sad face)

I have visited St Paul's School & Saxon Mount - We go into the school voluntary & take several football lesson, We try to find the player's that want to play, but do not think they are good enough - player's that are shy, low in confidence, or those with Mental Health Challenges -

We encourage them into 1066 Specials, Where we turn them in to World Class SuperStars! ...

Personally - I am on my 6.5/7th Year with 1066 Specials and I have learned more then I thought i genuinely could, & Iam still learning every week.

Compassion, Understanding, Firm but Fair & Cheeky Likability I think are my strengths at this club as well as the 100s of fun games & drills I have stored in my locker!

I have achieved a lot of success with teams over the years and once again am happy to see the progression and standard of the players improve over the years in line with he league and cup competitions become increasingly competitive.

My focus for the new season 2020 will only be Junior's football and I look forward to really getting stuck into the Juniors in the next few years as a new generation of players and coaches emerges.

Winning trophies is not the be all & end all - the player's win the trophies I just point & make subs....

& stand 3 ft over the touch line...

Duncan

## FROM THE SIDELINES

**W**e discovered 1066 Specials after being recommended to try them by my son's previous club. He had had a wonderful time there, but it was definitely time to move on. He has not looked back since joining and although he is not the worlds best player, he loves to join in and he loves football. He knows more facts about the Premiership and the other top 4 divisions of UK football, than anyone else I know!

We, his parents, love him to be happy and so we make the effort to bring him along on as many Saturday mornings as we can, and believe me, it's not always easy fitting it in around the rest of family life.

We rock up, in all weathers trying not to forget to bring shin pads! But it's worth it - to see him trot out onto the pitch to join his friends. And they are friends. It is great to see them all gel together and play with respect and compassion in a safe space. The parents love watching our kids viewing the coaches and admire what they are doing, they are all volunteers so their time and patience with the children to create enjoyment for them is a pleasure to see.

Any parent will know how hard it is to raise a child, to get the right schooling, the right help, the right equipment. But when we come to 1066 specials, just like our kids do, we find people who are in the same situation and who understand what we are going through. Often they can offer advice or help too.

So, you see, 1066 Specials is not just a club for the kids, it's for the parents/carers too. We have just as much fun on an outing as the kids do, and it fills us with pride to see them having fun.

From a parent's point of view thank you to the coaches and the rest of the club who turn out to make sure the players have a great time.

Proud Mum - Angela

# JUNIORS

## Bexhill Cup - Sussex Disability Tournament

**O**n a rather cloudy early morning back in February, The 1066 Specials FC hosted a junior Sussex disability league tournament. There were five under 12 teams and four under 16 teams taking part in what turned out to be a very successful day. In the under 12 league The 1066 Specials opened up with a tremendous 1-0 victory over Seaford town in a competitive game but played in a real sporting spirit. With the Sun then appearing and Duncan Nolan plotting another victory against Albion in the community 1,

the second match kicked off and although great chances were created at both ends, the match finished in a goalless draw.

Up next were AITC2 who played some super football winning 2-1 in a game which had good chances at both ends and really could have gone either way.

The final game for the Specials was against a strong Worthing town team who had won all their previous games, and indeed ran out 3-0 winners in this game.

The under 16 league started for the Specials with a very credible 0-0 draw with Seaford Town, with both teams creating great chances only for both goalkeepers to make some good saves. Next up was AITC 1 who ran out 3-1 winners.

In the last game a tiring 1066 Specials team faced the eventual league winners AITC 2 who played strongly in a one sided affair which finished 6-1. An unfortunate end to an otherwise successful day.

Steve Atkins, the League Chairman, presented the trophy's in the clubhouse to rapturous applause from all, and thanked us for hosting the event.

All participants were issued with "Bexhill Cup" certificates.

# BUTLINS TOURNAMENT

**1** 066 Junior's had a trip to Butlins where they were involved in a disability tournament for the under 14s.

Once again their behaviour during the trip there & during the tournament was impeccable -

We played 6 games;

Won: 4

Drew: 1

Lost: 1

We were fortunate enough to play some very good teams all whom had different aspects of disability.

We played as a team, drew as a team & lost as a team.

Some great football on show from all.

When the tournament had finished we were allowed to enjoy Butlins for a few hours before the presentation.....

The presentation was headed by none other the World Cup Winner .. Robert Pires We look forward to competing again in 2020...

Coached on the day by...

Coach Duncan & Coach Luke.

# SUSSEX LEAGUE

## League and Cup Success!

**T**he 1066 Specials Football club had reason to celebrate at the end of season tournament and presentation event held at Sussex FA HQ in Lancing last weekend.

The Adult Sussex FA Disability Football League is contested over eight weekends, consisting of six leagues, 27 Teams, 250 players and has to be one of the most uplifting and good spirited sporting leagues in Sussex.

The 1066 Specials have four teams consisting of 35 players who have enjoyed the competitive action this season and have continued to play the game with a fantastic spirit and sportsmanship (Much to the delight of Paul Anderson the club Chairman)

To add to this the “walking Football “ team were runners up in their cup competition and the Premiership team were runners up in the league having won the Championship league earlier on in the season. However, the Seasons highlight was the Division 1 team winning their cup competition, a truly outstanding achievement.

*From the Bexhill Observer*

# AWARDS

**T**he annual 1066 Specials FC presentation and AGM was held in April at the Bexhill college and was attended by around 100 people consisting of players, parents and supporters.

Awards were presented to players and staff in recognition of their great efforts through the season.

A Special plaque was presented to Jan Rhodes in acknowledgement and appreciation of the Joe Clodd trophy which has been a main feature of previous presentation events. This Plaque is on display in our glass cabinet at Bexhill museum.

## Presentation Awards

### **Paul Borthwick Volunteer of the Year**

Fiona Kavanagh-Deeprose

# VOLUNTEER OF THE YEAR

## FIONA KAVANAGH-DEEPROSE

**F**or the first time , since the forming of the 1066 Specials, the “volunteer of the year trophy” has been awarded to the same person for the second time, a fantastic achievement.

Fiona has been involved with the club now for about 15 years, since bringing her young son, Luke, to the Saturday training sessions.

Fiona is a registered nurse and now a neonatal Sister at the Conquest hospital, but still puts in a tremendous amount of work and effort into her 1066 duties which incorporate being club secretary and welfare officer. Fiona is extremely hands on and is ever present at training sessions and has probably attended more tournaments than all of the football coaching staff!

Fiona has been an active member of the committee now for several years, sharing her considered opinions with fellow members and always having the genuine wellbeing of others in her thoughts and views.

Fiona , I know , experiences a great deal of positivity and enjoyment from her involvement in the Specials and she aims to support each and every player to have the best time whilst they are with us.

Fiona’s tremendous efforts for this football club really are appreciated by us all.

## 1066 CHAPTER VISIT

**A**t a recent training session we were pleased to be visited and indeed challenged on the football front by the 1066 Chapter, a Sussex based motorcycle (Harley Davidson) club, who are raising money for us as their designated charity this year.

This is their second visit to our club and this time they played two entertaining games against our brilliant junior teams and had a penalty shoot out against our Division 1 team. In all the excitement I lost count of all the scores, but all I know was everyone was a winner with the scrumptious cakes that had been baked by the bikers, and the refreshments that we all enjoyed after the football had been played.

So thank you once again to the 1066 Chapter and we look forward to further visits and matches in the future.

1066 chapter Website - [www.1066chapter.com](http://www.1066chapter.com)

## 1066 Supporters Club

Without financial support, there is no 1066 specials!

Becoming a member of the **1066 Supporters Club** is one way you can support the club to keep us running.

Subscription Fee = **£10 per annum**

**Mob: 07817 152991**

# CHELSEA

For the second year in a row the 1066 specials were fortunate enough to be invited to the annual disability showcase hosted by the Chelsea Foundation at Stamford Bridge.

It was the prime chance to allow some new and returning 1066 players to step out onto the famous stadium and follow in the footsteps of legends such as Drogba and Lampard to compete for the Shield.

The team entered a group with talented teams such as Brighton, Chelsea, Middlesbrough and Bournemouth. The team looked strong with captain Luke Kavanagh stepping up for his team and winning early games in the initial league with the two top spots progressing to a knockout semi-final and grand final.

1066 battled well and finished 2nd place in their group progressing them to the semi-finals. The semi-final was nervy but luck was on the side of 1066 and they progressed to the final against a familiar team in AFC Bournemouth whom they'd played the year before.

# CHELSEA

## **DRAMATIC PENALTY SHOOT OUT ENDS IN 1066 SPECIALS AS CHAMPIONS**

With the shield on the line 1066 faced up against Bournemouth in the final and a long day with lots of games ended up a draw and dreaded penalties were to follow...

Under all the pressure 1066 scored all their penalties leaving Ciaran (adamant he wanted to take the winning penalty oozing confidence) to finish his penalty and win it for his team. The above picture shows the end result, a fantastically cool finish into the bottom left corner won the game and he was charged by his ecstatic team mates and closely followed by the awarding of the plate lifted by the captain Luke.

This is yet another fantastic achievement and experience for the team and credit to the organisation from Chelsea and the club for making this a great day and one all the players will remember for years to come.

## A MESSAGE FROM THE TRUSTEES

**G**oal", everybody shouted when I hit the back of the net for the very first time at my very first school many many years ago ... and, I remember, what a wonderful feeling it was to score!

You see, since that momentous occasion when I was knee high to a grasshopper, I have been well and truly hooked on football. No, I am not going to reveal the team I follow as I may be in danger of being lynched for supporting the wrong outfit!

However, having been a Trustee for a number of years you can be 100% sure that I fully support the 1066 Specials. In fact, since I took over as Chair of the Trustees nearly two years ago, I am even more committed to the Club, and I feel honoured and proud to be associated with such a wonderful outfit.

Every time I come to training at Bexhill College, I am really impressed with the whole atmosphere and how friendly everybody is. I am also impressed with the quality of play and how everybody obviously enjoys taking part. AND, when I leave I ALWAYS have a smile on my face ... AND, I feel inspired by your enthusiasm and spirit ... SO, thank you for being YOU and thank you for continuing to come along and play football as it should be played.

Well, that's it from me for the moment but just allow me one more thank you and that is to all the coaches who give up their time freely ... oh, and all the officers and Trustees as well ... and I mustn't forget our Harold who still, despite everything he's been through, manages to carry on regardless doing lots and lots of things for the Club.

One final thing ... I wish each and every one of you a very successful season, you are DEFINITELY the BEST of the BEST ... Cheers and UP THE SPECIALS!!

**Rodger Batey - Chair of the Trustees**

# OLD BEXHILLIANS WALKING FOOTBALL

**O**n Saturday 14th December we hosted a special tournament, Welcoming the players from the old Bexhillians walking football club.

With four teams competing against each other the odds should have been stacked in favour of the 1066 Specials Fc as we were represented by 2 junior team and our division 1 team. However the Walking footballers fielded a strong and spirited team and they were there to play some attractive passing football. In the opening game the Walkers played the Division 1 team in a game that went from end to end with chances being created at both ends, the game ended honours even at 2-2. The two junior teams orange and blue also ended with honours even.

The Walkers again contested in a drawn game against junior orange, who absolutely excelled against the free flowing passing game of the Walkers.

On the other pitch the Division 1 team outplayed the junior blue team 3-0 with some well taken goals.

The junior blue team then took on the now slightly tiring walkers, but couldn't stop them scoring the opener which appeared to go through goalkeeper Simons legs. This only seemed to spur on young George who took on the goalkeeper 1v1 and rifled an unstoppable shot into the back of the net. What a GOAL..... 1-1.

It was then down to George again who combined with Chris and Sam to slot the ball past a despairing late dive by goalkeeper Raz 2-1.

The Walkers, now unable to muster anything more than a "walk" called on all their experience and know how to score a well worked goal in the last moments to ensure their unbeaten record remained intact.

The Division 1 team then took on the junior orange team in an end to end encounter, with outstanding displays from Russel and Rowan in the junior team. The game was only decided in the last minute with Luke Williams scoring his second goal to secure a 3-2 victory for the division 1 outfit.

So the tournament winners were the 1066 Specials Division 1 team.

Refreshments were then served up in the College foyer to cap a wonderful event where the spirit of football and fun shone through like a beacon.

# SAFEGUARDING

**A**t 1066 specials we have continually worked hard over the last few years with the support of Sussex County FA, and the national FA to ensure we have policies and procedures in place to ensure as a club we are using best practice.

Safeguarding at 1066 is everyone's responsibility but we also have a named welfare officer independently.

We seek references, criminal record checks for all staff at 1066 and a 3 year DBS check and safeguarding course. Any new staff members must pass a series of internal checks enforced by the welfare officer before being allowed to support players independently.

With support from the FA we continue to update our policies and procedures as required. A safeguarding folder containing policies is regularly updated and kept with the welfare officer.

Contact details for the club welfare officer (Fiona) and league welfare officer (Ian) are below for any individual wishing to report an incident football related or otherwise.

Special thanks to everyone at 1066 specials, for your support and patience as safe guarding is one of the most important areas in 1066 specials.

Also a special mention and thank you to Sandra Redhill, Jade Harper, Ian Burlinson for their continued support and patience.

Anyone who ever has a concern/worry please speak to Fiona or Ian and they will aim to deal with yours concerns through the correct channels.
