News Update

May 2022

Our final football session this season will be held on Saturday, 11th June, when we will be celebrating our footballers' efforts with a trophy presentation event held on the pitch from 10.45 am.

The New Season 2022-2023 Football Session dates are attached to this letter, running again from Sept to June, all at Bexhill College Astro Pitch from 9.30 am.

We shall be hosting a Sussex FA Junior Tournament on Sunday, 5th June at Bexhill College from 10.00 am – 1.00 pm and we would invite all Junior players to represent us in several teams that we are proposing to enter.

We shall continue to look into arranging fixtures with local football teams, in order to provide some competitive football at our Saturday morning sessions.

We are looking into our options to play some tournament football in the future but we must be mindful that we will need to recruit some additional coaches/volunteers to make this a realistic possibility moving forward.

Fiona is currently taking a well-deserved break and therefore has stepped down from her roles and duties. The Club are very grateful for all the time and effort Fiona has invested in the 1066 Specials over the past 10 years.

Enjoyment is our aim. We welcome all observations and opinions and would encourage your views to be discussed with us to assist in the continued success and development of this Football Club.
